Dear Colleagues:

It is my distinct pleasure to announce that Dr. Ephraim Aklilu will be the new owner of my long-standing practice and I will be his associate, seeing and caring for your patients as well.

On a professional level, having known him for over 5 years, I am impressed by his skill in all areas of oral surgery. He possesses the highest qualifications with extensive training and experience.

Dr. Ephraim is a board certified surgeon practicing for almost 10 years. Dr. Ephraim completed his undergraduate education at UC Berkeley where he was awarded Outstanding Academic Achievement Award. Dr. Ephraim earned his Doctor of Dental Surgery degree from the University of California, San Francisco (UCSF). He then completed a General Practice Residency at the VA Hospital at McClellan Air Force Base and Oral and Maxillofacial Surgery externships at Highland General Hospital and VA San Francisco. Dr. Ephraim completed his Oral and Maxillofacial Surgery residency at UCLA- Harbor Medical Center and Kaiser Permanente Los Angeles Medical Center. Dr. Ephraim also did a fellowship at Stanford University, Division of Plastic & Reconstructive Surgery, where he had the privilege to train under their renowned surgeons.

Dr. Ephraim has a wide range of experience in IV sedation and general anesthesia, wisdom teeth extraction, soft tissue and alveolar bone grafting, sinus graft, benign head and neck pathology, implant placement and full arch rehabilitation using All-on-4 method. He has performed thousands of surgeries in private practice and Implant Centers.

I feel confident that with Dr. Ephraim we will continue to provide your patients with the best surgical care. The office location, telephone numbers, and our wonderful Staff remain the same.

I would like to take this opportunity to thank you for your trust and confidence in permitting me to take care of your patients through these many years. Dr. Ephraim looks forward to meeting each of you. I am honored to have Dr. Ephraim here and thank you in advance for your continuing loyalty and support.

Sincerely,

Larry V. Franz, DDS
